

6th Grade English

1st Quarter

In grammar, we reviewed the five parts of speech and the jingles that correspond with them. We also reviewed how to classify simple sentences including those with compound parts. We discussed and applied Capitalization and Punctuation Rules. We reviewed synonyms, antonyms and wrote vocabulary words and analogies. We completed practice sheets in the workbook for the chapter 1-5 and took chapter tests 1-5.

In writing, we read articles and wrote summaries of the articles learning about plagiarism and how to avoid it. We studied how to write a 3 paragraph essay. We also completed 24 journal entries on various topics.
